BACKSTAGE

Our backstage area is located to the left from the entrance, separate from the public club area.

The backstage area includes comfortably cushioned benches along all the general seating walls, multiple tables with 16A 220V outlets right underneath, a separate catering areas and its' own kitchen for our staff to prepare the catering in.

The backstage area also includes separate toilets downstairs. Unfortunately we do not yet have showers available at the venue.

Backstage capacity: 35 people
Guests are not allowed.

Free WIFI available .

Strict no drugs policy.

Please keep the backstage area clean.
